Dear Mrs. Winborne,

On behalf of the students and faculty of St. Pius Catholic High School I want to thank you for your inspirational presentation of 'It Won't Happen To Me' at our recent student assembly. You shared both the hard cold facts about the unbelievable accident and death rate of teens caused by their inexperience and poor decision-making; and also very effectively conveyed the tremendous emotional loss suffered by their friends, family and communities.

A parent whose daughter attended your presentation shared the following; *"my daughter said that the program this morning was excellent - rather scary, but great information - she walked in talking about it so it must have made an impression!"*

We thank you for your commitment to this worthy cause and for your enthusiasm in touching our students with a powerful message. We are blessed to have people such as you in our community.

Sincerely,

Steve Spellman
Principal
